■ A Training and Monitoring System for Dog Obedience and Agility, the flagship product in Dogforce's range of high-quality, innovative dog products. ■ This unique tool allows dog owners to keep track of their dog's training progress, as well as evaluate the training programmes they have planned. ■ There are numerous ways to monitor your dog's progress. The best way is to analyze what has been done well and what needs improvement. Agility Record Book is designed to help dog owners do this! ■ Evaluating the methods used to train your dog will also allow you to determine whether it is the right course of action. Agility Record Book allows you to evaluate all aspects of your dog's training, including the type of commands used, the difficulties they have in each of the tasks, and how they progress from trial to trial. This allows you to control the training process, and make changes to improve the level of obedience your dog attains. ■ In this way, Agility Record Book will be able to make sure your dog can learn and perform the required skills well. This way of training allows dog owners to spend more time with their dogs and train them all day, as they learn new tasks, rather than training them only in specific areas, like the command "come". ■ Whether you have a standard or a trained dog, Agility Record Book will still work for you! ■ With it, you can: ■ Monitor your dog's training ■ Evaluate your dog's training ■ Receive notifications and reminders when you need them ■ Keep a close eye on your dog ■ Record and keep track of the points your dog has achieved ■ Record and analyse your dog's training sessions ■ Record your training programmes ■ Save and view your training sessions ■ Calculate your dog's training progress ■ Generate reports ■ Edit your training history ■ Find events for your dog ■ View available times for your area ■ Make your training sessions public ■ Copy training sessions ■ Export training sessions to csv/xls/xlsx formats ■ Convert to pdf ■ Import data and events from other applications ■ Record birthdays and other special events ■ Start your dog's training ■ Add dogs to the list ■ Copy titles ■ Use navigation, search and sorting options to choose and move items ■ Get feedback on your training ■ Export training programmes ■
